Chris –

Here is the current staff working draft. We have addressed MANY of the outstanding items, probably just a few more to go.

If you would like, please review this version. Remember that comments labeled “EPA Political Leadership” are to flag items for Bill/Mandy. Those comments would not go to the interagency.

All comments labeled “Author” are from OMB/EOP

Thanks  
Bill

I can call you in about 30 minutes.

Working from home for an hour or so to get my edits in the document.
